

CHAPTER 22

MANDATED POLICIES

ARTICLE I – IDENTITY THEFT PROGRAMS

DIVISION I – THEFT PREVENTION POLICY

22-1-1 **PROGRAM ADOPTION.** The Village developed this Identity Theft Prevention Program pursuant to the Federal Trade Commission’s Red Flags Rule, which implements Section 114 of the Fair and Accurate Credit Transactions of 2003. 16 C.F.R. § 681.2. This Program was developed with oversight and approval of the Village. After consideration of the size and complexity of the Utility’s operations and account systems, and the nature and scope of the Utility’s activities, the Village Board determined that this Program was appropriate for the Village, and therefore approved this Program on February 9, 2009.

22-1-2 **PROGRAM PURPOSE AND DEFINITIONS.**

(A) **Fulfilling Requirements of the Red Flags Rule.** Under the Red Flag Rule, every financial institution and creditor is required to establish an “Identity Theft Prevention Program” tailored to its size, complexity and the nature of its operation. Each program must contain reasonable policies and procedures to:

- (1) Identify relevant Red Flags for new and existing covered accounts and incorporate those Red Flags into the Program;
- (2) Detect Red Flags that have been incorporated into the Program;
- (3) Respond appropriately to any Red Flags that are detected to prevent and mitigate Identity Theft; and
- (4) Ensure the Program is updated periodically, to reflect changes in risks to customers or to the safety and soundness of the creditor from Identity Theft.

(B) **Red Flags Rule Definitions Used in this Program.** The Red Flags Rule defines “Identity Theft” as “fraud committed using the identifying information of another person” and a “Red Flag” as “a pattern, practice, or specific activity that indicates the possible existence of Identity Theft.”

According to the Rule, a municipal utility is a creditor subject to the Rule requirements. The Rule defines creditors “to include finance companies, automobile dealers, mortgage brokers, utility companies, and telecommunications companies. Where non-profit and government entities defer payment for goods or services, they, too, are to be considered creditors.”

All the Utility’s accounts that are individual utility service accounts held by customers of the utility whether residential, commercial or industrial are covered by the Rule. Under the Rule, a “covered account” is:

- (1) Any account the Utility offers or maintains primarily for personal, family or household purposes, that involves multiple payments or transactions; and
- (2) Any other account the Utility offers or maintains for which there is a reasonably foreseeable risk to customers or to the safety and soundness of the Utility from Identity Theft.

MANDATED POLICIES 22-1-3

“Identifying information” is defined under the Rules as “any name or number that may be used, alone or in conjunction with any other information, to identify a specific person,” including: name, address, telephone number, social security number, date of birth, government issued driver’s license or identification number, alien registration number, government passport number, employer or taxpayer identification number, unique electronic identification number, computer’s Internet Protocol address, or routing code.

22-1-3 IDENTIFICATION OF RED FLAGS. In order to identify relevant Red Flags, the Utility considers the types of accounts that it offers and maintains, the methods it provides to open its accounts, the methods it provides to access its accounts, and its previous experiences with Identity Theft. The Utility identifies the following red flags, in each of the listed categories:

(A) **Notifications and Warnings From Credit Reporting Agencies; Red Flags.**

- (1) Report of fraud accompanying a credit report;
- (2) Notice or report from a credit agency of a credit freeze on a customer or applicant;
- (3) Notice or report from a credit agency of an active duty alert for an applicant; and
- (4) Indication from a credit report of activity that is inconsistent with a customer’s usual pattern or activity.

(B) **Suspicious Documents; Red Flags.**

- (1) Identification document or card that appears to be forged, altered or inauthentic;
- (2) Identification document or card on which a person’s photograph or physical description is not consistent with the person presenting the document;
- (3) Other document with information that is not consistent with existing customer information (such as if a person’s signature on a check appears forged); and
- (4) Application for service that appears to have been altered or forged.

(C) **Suspicious Personal Identifying Information; Red Flags.**

- (1) Identifying information presented that is inconsistent with other information the customer provides (example: inconsistent birth dates);
- (2) Identifying information presented that is inconsistent with other sources of information (for instance, an address not matching an address on a credit report);
- (3) Identifying information presented that is the same as information shown on other applications that were found to be fraudulent;
- (4) Identifying information presented that is consistent with fraudulent activity (such as an invalid phone number or fictitious billing address);
- (5) Social security number presented that is the same as one given by another customer;
- (6) An address or phone number presented that is the same as that of another person;

- (7) A person fails to provide complete personal identifying information on an application when reminded to do so (however, by law social security numbers must not be required); and
- (8) A person's identifying information is not consistent with the information that is on file for the customer.

(D) **Flags.**

Suspicious Account Activity or Unusual Use of Account; Red

- (1) Change of address for an account followed by a request to change the account holder's name;
- (2) Payments stop on an otherwise consistently up-to-date account;
- (3) Account used in a way that is not consistent with prior use (example: very high activity);
- (4) Mail sent to the account holder is repeatedly returned as undeliverable;
- (5) Notice to the Utility that a customer is not receiving mail sent by the Utility;
- (6) Notice to the Utility that an account has unauthorized activity;
- (7) Breach in the Utility's computer system security; and
- (8) Unauthorized access to or use of customer account information.

(E)

Alerts From Others; Red Flag.

- (1) Notice to the Utility from a customer, identity theft victim, law enforcement or other person that it has opened or is maintaining a fraudulent account for a person engaged in Identity Theft.

22-1-4 DETECTING RED FLAGS.

(A) **New Accounts.** In order to detect any of the Red Flags identified above associated with the opening of a **new account**, Utility personnel will take the following steps to obtain and verify the identity of the person opening the account:

- (1) Require certain identifying information such as name, date of birth, residential or business address, principal place of business for an entity, driver's license or other identification;
- (2) Verify the customer's identity (for instance, review a driver's license or other identification card);
- (3) Review documentation showing the existence of a business entity; and
- (4) Independently contact the customer.

(B) **Existing Accounts.** In order to detect any of the Red Flags identified above for an **existing account**, Utility personnel will take the following steps to monitor transactions with an account:

- (1) Verify the identification of customers if they request information (in person, via telephone, via facsimile, via email);
- (2) Verify the validity of requests to change billing addresses; and
- (3) Verify changes in banking information given for billing and payment purposes.

22-1-5 PREVENTING AND MITIGATING IDENTITY THEFT.

(A) **Prevent and Mitigate.** In the event Utility personnel detect any identified Red Flags, such personnel shall take one or more of the following steps, depending on the degree of risk posed by the Red Flag:

- (1) Continue to monitor an account for evidence of Identity Theft;
- (2) Contact the customer;
- (3) Change any passwords or other security devices that permit access to accounts;
- (4) Not open a new account;
- (5) Close an existing account;
- (6) Reopen an account with a new number;
- (7) Notify the Program Administrator for determination of the appropriate step(s) to take;
- (8) Notify law enforcement; or
- (9) Determine that no response is warranted under the particular circumstances.

(B) **Protect Customer Identifying Information.** In order to further prevent the likelihood of Identity Theft occurring with respect to Utility accounts, the Utility will take the following steps with respect to its internal operating procedures to protect customer identifying information:

- (1) Ensure that its website is secure or provide clear notice that the website is not secure;
- (2) Ensure complete and secure destruction of paper documents and computer files containing customer information;
- (3) Ensure that office computers are password protected and that computer screens lock after a set period of time;
- (4) Keep offices clear of papers containing customer information;
- (5) Request only the last 4 digits of social security numbers (if any);
- (6) Ensure computer virus protection is up to date; and
- (7) Require and keep only the kinds of customer information that are necessary for utility purposes.

22-1-6 PROGRAM UPDATES. The Program Administrator will periodically review and update this Program to reflect changes in risks to customers and the soundness of the Utility from Identity Theft. In doing so, the Program Administrator will consider the Utility's experiences with Identity Theft situations, changes in Identity Theft methods, changes in Identity Theft detection and prevention methods, and changes in the Utility's business arrangements with other entities. After considering these factors, the Program Administrator will determine whether changes to the Program, including the listing of Red Flags, are warranted. If warranted, the Program Administrator will update the Program or present the Village Board with his or her recommended changes and the Village Board will make a determination of whether to accept, modify or reject those changes to the Program.

22-1-7 PROGRAM ADMINISTRATION.

(A) **Oversight.** Responsibility for developing, implementing and updating this Program lies with an Identity Theft Committee for the Utility. The Committee is headed by a Program Administrator who may be the head of the Utility or his or her appointee. Two or

MANDATED POLICIES 22-1-8

more other individuals appointed by the head of the Utility or the Program Administrator comprise the remainder of the committee membership. The Program Administrator will be responsible for the Program administration, for ensuring appropriate training of Utility staff on the Program, for reviewing any staff reports regarding the detection of Red Flags and the steps for preventing and mitigating Identity Theft, determining which steps of prevention and mitigation should be taken in particular circumstances and considering periodic changes to the Program.

(B) **Staff Training and Reports.** Utility staff responsible for implementing the Program shall be trained either by or under the direction of the Program Administrator in the detection of Red Flags, and the responsive steps to be taken when a Red Flag is detected.

(C) **Service Provider Arrangements.** In the event the Utility engages a service provider to perform an activity in connection with one or more accounts, the Utility will take the following steps to ensure the service provider performs its activity in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of Identity Theft.

- (1) Require, by contract, that service providers have such policies and procedures in place; and
- (2) Require, by contract, that service providers review the Utility's Program and report any Red Flags to the Program Administrator.

(D) **Non-Disclosure of Specific Practices.** For the effectiveness of this Identity Theft Prevention Program, knowledge about specific Red Flag identification, detection, mitigation and prevention practices must be limited to the Identity Theft Committee who developed this Program and to those employees with a need to know them. Any documents that may have been produced or are produced in order to develop or implement this program that list or describe such specific practices and the information those documents contain are considered "security information" as defined in Minnesota Statutes Section 13.37 and are unavailable to the public because disclosure of them would be likely to substantially jeopardized the security of information against improper use, that use being to circumvent the Utility's Identity Theft prevention efforts in order to facilitate the commission of Identity Theft.

22-1-19 **AMENDMENT OF PRIVACY POLICY.** The Privacy Policy adopted in this Division and Chapter shall be subject to amendment from time to time by the Village Board as the Village Board shall deem necessary in its sole discretion in order to maintain the Village's compliance with the Illinois Identity Protection Act as now or hereafter amended.

The Officer shall receive requests submitted to the Village under the Freedom of Information Act, insure that the Village responds to requests in a timely fashion, and issue responses under the Freedom of Information Act. The Freedom of Information officer shall develop a list of documents or categories of records that the Village shall immediately disclose upon request.

(B) Upon receiving a request for a public record, the Freedom of Information Officer shall:

- (1) Note the date the Village receives the written request;
- (2) Compute the date on which the period for response will expire and make a notation of that date on the written request;

(E) The time limit set forth hereinabove may be extended for an additional **five (5) business days** by notice in writing to the person making the request of the **five (5) business days** extension. The notification shall state the reason(s) for the **five (5) business day's** extension and contain a date certain on which the requested record(s) will be available. The failure to grant or deny a request within the additional **five (5) business days** shall operate as a denial. The person making the request and the Village may agree in writing to extend the time for compliance for a period to be determined by the parties. If the person making the request and the Village agree to extend the period for compliance, a failure by the Village to comply with any previous deadlines shall not be treated as a denial of the request for the records.

(G) It shall be the responsibility of the person making the request to pick up the requested documents at Village Hall. If the person making the request asks the Village to mail the documents, he or she shall provide the Village with his/her correct mailing address so as to efficiently process all requests. Copies of records requested to be mailed will be forwarded United States Certified Mail to the address provided. Pre-payment of **Two Dollars Fifty Cents (\$2.50)** per ounce shall be required.

MANDATED POLICIES 22-2-5

(H) When a person requests a copy of a record maintained in an electronic format, the Village shall furnish it in the electronic format specified by the person making the request, if feasible. If it is not feasible to furnish the public records in the specified electronic format, then the Village shall furnish it in the format in which it is maintained by the Village, or in paper format at the option of the person making the request.

22-2-5 **REQUEST FOR COMMERCIAL PURPOSES.** The Village shall respond to a request for records to be used for a commercial purpose within **twenty-one (21) working days** after receipt. The response shall (1) provide to the person making the request an estimate of the time required by the Village to provide the records requested and an estimate of the fees to be charged, which the Village may require the person to pay in full before copying the requested documents, (2) deny the request pursuant to **one (1)** or more of the exemptions set out in the Freedom of Information Act, **5 ILCS 140/1 et seq.**, (3) notify the person making the request that the request is unduly burdensome and extend an opportunity to the person making the request to attempt to reduce the request to manageable portions, or (4) provide the records requested.

Unless the records are exempt from disclosure, the Village shall comply with a commercial request within a reasonable period considering the size and complexity of the request, and giving priority to records requested for non-commercial purposes.

It is unlawful for a person to knowingly obtain a public record for a commercial purpose within disclosing that it is for a commercial purpose, and any person obtaining a public record for commercial purpose without disclosing that it is for a commercial purpose shall be fined in accordance with the Village Code.

22-2-6 **FEES.** The Village Clerk shall determine when the established fees are subject to waiver or reduction because the release of the requested information is in the public interest.

22-2-7 **PUBLIC FILE.** The Village Clerk shall establish and maintain a central file, open to the public, of all denials of requests for records which shall be indexed according to the exemption utilized to deny a request for records, and to the extent possible, according to the types of records requested.

22-2-8 **GRANTING OR DENIAL OF REQUESTS.** A request for all records within a category shall be granted unless the request constitutes an undue burden upon the Village. Prior to denying a request based upon the burdensome nature of the request, an opportunity to narrow the request to manageable proportions shall be provided. If the attempt to narrow the request fails, the request may be denied because compliance will unduly burden the operations of the Village and the burden outweighs the public interest in the information. The denial shall be in writing, specifying the reasons why compliance will be unduly burdensome and the extent to which compliance will so burden the operations of the Village. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided are properly denied under the Freedom of Information Act shall be deemed unduly burdensome under this Section.

22-2-9 **CERTAIN INFORMATION EXEMPT FROM INSPECTION AND COPYING.** If any record exempt from disclosure contains material which is not exempt, the information which is exempt shall be deleted and the remaining information shall be available for inspection and copying.

22-2-10 **NOTICE OF DENIAL OF REQUEST; APPEALS.**

(A) If the Village denies the request, the Village shall notify the person making the request in writing of:

- (1) the decision to deny the request;
- (2) the reasons for the denial, including a detailed factual basis for the application of any exemption claim;
- (3) the names and titles or positions of each person responsible for the denial;
- (4) the right to review by the Public Access Counselor and the address and phone number for the Public Access Counselor; and
- (5) the right to judicial review.

If an exemption is claimed, then the denial must include the specific reasons for the denial, including a detailed factual basis and a citation to support a legal authority.

(B) If the Village asserts an exemption under Subsection (1)(c) or (1)(f) of Section 7 of the Freedom of Information Act, it shall, within the time periods provided for Respondent to request, provide written notice to the person making the request and the Public Access Counselor of its intent to deny the request in whole or in part. The notice shall include:

- (1) a copy of the request for access to records;
- (2) the proposed response from the Village;
- (3) a detailed summary of the Village's basis for asserting its exemption.

If the Public Access Counselor determines that further inquiry is warranted, the procedures set forth in the Freedom of Information Act, as amended from time to time, regarding the review of denials shall be applicable. Times for response compliance by the Village to the request shall be tolled until the Public Access Counselor concludes his or her inquiry.

(Ord. No. 492; 10-29-12)

ARTICLE VI – POLICY PROHIBITING SEXUAL HARASSMENT

22-6-1 PREAMBLE. The purpose of this policy is to (1) more clearly define sexual harassment, and (2) more clearly state the policy of the Village regarding such behavior. Sexual harassment is a violation of basic human rights fully recognized by the State of Illinois.

22-6-2 PROHIBITION ON SEXUAL HARASSMENT. It is unlawful to harass a person because of that person’s sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of this Village to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

22-6-3 DEFINITION OF SEXUAL HARASSMENT. This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

(A) Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.

(B) Conduct which may constitute sexual harassment includes:

- (1) **Verbal.** Sexual innuendoes, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside their presence, of a sexual nature.
- (2) **Non-verbal.** Suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, “catcalls”, “smacking” or “kissing” noises.
- (3) **Visual.** Posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- (4) **Physical.** Touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- (5) **Textual/Electronic.** “Sexting” (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking or threats

via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

(C) The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

22-6-4 PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT.

(A) An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating his/her position to the offending employee, and his/her immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

(B) Any employee may report conduct which is believed to be sexual harassment, including the following:

- (1) **Electronic/Direct Communication.** If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express his/her objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- (2) **Contact with Supervisory Personnel.** At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the village manager or administrator, or the chief executive officer of the Municipality.
The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the Municipality will not be presumed to have knowledge of the harassment.
- (3) **Resolution Outside Municipality.** The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within **one hundred eighty (180) days** of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must be filed within **three hundred (300) days**.

MANDATED POLICIES 22-6-5

(C) Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages.

(D) All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

22-6-5 PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS.

(A) No municipal official, municipal agency, municipal employee or municipal agency or office shall take any retaliatory action against any municipal employee due to a municipal employee's:

- (1) Disclosure or threatened disclosure of any violation of this policy,
- (2) The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
- (3) Assistance or participation in a proceeding to enforce the provisions of this policy.

(B) For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's involvement in protected activity pursuant to this policy.

(C) No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

(D) Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (**5 ILCS 430/15-10**) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

- (1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation;
- (2) Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee; or
- (3) Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act.

(E) Pursuant to the Whistleblower Act (**740 ILCS 174/15(a)**), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the

MANDATED POLICIES 22-6-6

employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. **(740 ILCS 174/15(b))**.

(F) According to the Illinois Human Rights Act **(775 ILCS 5/6-101)**, it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

(G) An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – due within **one hundred eighty (180) days** (IDHR) or **three hundred (300) days** (EEOC) of the alleged retaliation.

22-6-6 CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT. In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in **5 ILCS 430/5-65**, may be subject to a fine of up to **Five Thousand Dollars (\$5,000.00)** per offense, applicable discipline or discharge by the Municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the Municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

22-6-7 CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT. A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to **Five Thousand Dollars (\$5,000.00)** against any person who intentionally makes a false, frivolous or bad faith allegation.
